

UIC-Academic Partner Grants

To help make study abroad financially accessible to as many students as possible, we have worked with our academic partners to create automatic grants for every UIC student accepted into their program. These grants are deducted from the program cost.

Program Partner	Grant Amount
American College of Thessaloniki, Greece	\$1,000: up to 5/AY
College Year in Athens, Greece	\$2,000 semester / \$250 per summer course
